How the Passport Works

You're letting **Ski Math™** drive your season decisions — smart move.

The Summits Passport works differently than traditional ski passes.

It rewards **planning**, not volume — and removes the pressure to “break even.”

1. Choose Your Base

Start with **one Ski Trip**

This is the foundation of your season.

2. Add Days That Make Sense

👉 **Spring products offer the biggest value.**

3. Ski Smarter

Tickets are purchased directly from the resort and delivered via email.

No pass math.

No commitment to days you won't ski.

This isn't a pass. It's a smarter way to plan your season.
